

AvSPORT

OF LOCK HAVEN
353 PROCTOR STREET
LOCK HAVEN PA 17745

Light Sport Flight Training at the birthplace of sport aviation:
Piper Memorial Airport, Lock Haven PA.

**Solo for just \$1999! Become a fully licensed Sport Pilot for only \$3798! *
Licensed pilots can transition to LSA in three short days, for just \$799 ***

Our Vision:

AvSport envisions a General Aviation renaissance, facilitated by quality training of Sport Pilots and the availability of modern Light Sport Aircraft.

Our Mission:

AvSport enhances aviation safety and enjoyment, by offering:

- a rigorous flight training curriculum
- experienced, professional Certified Flight Instructors
- well maintained advanced Light Sport Aircraft
- modern and accessible instructional materials
- individualized instruction
- an affordable aviation experience

Meet Our Chief Flight Instructor:

- Prof. H. Paul Shuch, CFII
- Air Force veteran, Commercial Pilot, retired college professor
- Certified Flight Instructor, Airplane Single Engine Land & Instrument
- Ph.D. in Air Transportation Engineering
(University of California, Berkeley)
- Started flying in 1961; 37 years of teaching experience
- volunteer FAA Safety Team Lead Representative for Lock Haven

**Try a \$49 Taste of Freedom™ Discovery Flight, or a \$99 Gateway to the Sky™ Introductory Lesson
Inquire about our 3-week Intensive Training Pre-Solo and Post-Solo Modules**

** Plus taxes, testing fees, and fuel surcharge that varies with energy costs. Based on our standard prepaid training packages at FAA minimum flight hour requirements. Your mileage may vary. Certain weight, height, and health restrictions apply. Persons weighing more than 200 pounds can be accommodated only by prior arrangement. We regret that our Light Sport Aircraft cannot safely carry passengers weighing in excess of 250 pounds. Students must sign our standard Liability Waiver form.*
