

PRACTICAL TEST COMPLETION CERTIFICATION

I certify that I was tested on all areas of operation and the required tasks in the _____ *Airman Certification Standard/Practical Test Standard*. The testing area was free of distractions and the ground portion of the exam (oral) took _____ hours. The evaluation was a fair test of my knowledge and flight skills. The examiner did not help with any areas of the test and did not assist with any maneuvers in the aircraft. The examiner watched my preflight and conducted a complete and comprehensive practical exam. The flight portions lasted for _____ hours. The examiner did not provide any flight instruction or offer any advice during the practical test. I also have read and understand *The Pilots Bill of Rights* which was presented to me before the practical test began.
