

Stepping Up to LSAtm Gift Certificate

A Gift to:

Chuck May

From:

Lee Gilbert

This signed certificate covers all costs for enrollment in AvSport's 3-day Light Sport Aircraft transition training course. The bearer of this certificate will receive flight and ground instruction at the Piper Memorial Airport, Lock Haven PA, in our quality LSA trainer. Includes all instructor fees, training materials, aircraft rental, and fuel costs, and counts as a Flight Review. Must be a licensed Private pilot or above, hold a valid State issued driver's license, and not have had your FAA Medical Certificate refused or revoked. For curriculum and details, see <<http://avsport.org/about/downsize.htm>>. Training dates are flexible, and can be scheduled around your personal needs. Call or email our Chief Flight Instructor to reserve your slot in our next class.

Signed:

H. Paul Shuck

Date Issued:

17 August 2015

The Fine Print: Certain weight, height, and health restrictions apply. Persons weighing more than 200 pounds can be accommodated only by prior arrangement. We regret that our aircraft cannot safely carry passengers weighing in excess of 250 pounds. Gift Certificate recipients will be asked to sign our standard Liability Waiver form.
